Best Poster Awards – 33rd BCLF Meeting & 4th Congress of UMBBIH

Dear colleagues,

Thank you to everyone who took part in the poster evaluation! Based on the ratings given by congress participants, including members of the Scientific Committee, we are pleased to announce the three best posters:

1st place
Association between Pollen and Food Allergens and Clinical Manifestation of Symptoms in Patients with Pollen-Food Allergy Syndrome.
Verica Jakjimoska, Biljana Vasileva, Sonja Taseva (Skopje, North Macedonia)

2nd place
Prognostic Value of Composite Indices Based on Serum Zinc and Other Biomarkers for Predicting Mortality in COVID-19 Patients.
Zehra Kurtanović et al. (Sarajevo, Bosnia and Herzegovina)

3rd place
Extreme Hyperinsulinaemia with Hyperglycaemia During Oral Glucose Tolerance Testing: Laboratory Investigation Revealing Insulin Autoantibody-Bound Macroinsulin.
Eugenia Michaylova, Zhasmina Kyurkchieva, Nina Minaeva, Chavdar Stoyanov, Vasilios Tampas, Konstantina Piskova (Sofia, Bulgaria)

See you at the next BCLF Meeting!

Sincerely, on behalf of the Organizing Committee,

Prof. dr. Radivoj Jadrić
President of the Association
